It April and reach its destination at West is perhaps safe enough to say that we ought to fast once a year on general principles. Perhaps we are wicked en-Territory of Oklahoma, cut out of Insuch a practice would bring us into a better frame of mind, but the fact is, in times of great, or even ordinary prosperity, the mass of men are not very deeply impressed with a sense of their sinfulness. Fasting for sins that one does not particularly feel is too much like the old method of repenting of sins committed in Adam. It is this comfortable feeling of self-satisfaction in regard to our moral status that so many lists and evading taxes. Does this ofnificance out of Fast day. And the meaning cannot be put back into it until changed conditions in the circumstances of men's lives force it in. During the years of the War of Rebellion the annual Fast day services were the turn the smallest rivulet out of the tide most impressive religious services of the year. The nation was in trouble and each man felt its disturbing influence. The generation in active life now has seen scarcely a shadow fall upon our national affairs. The appropriateness of fasting is not clearly discernible. When an observance becomesa ceremony and nothing more, is it wise to continue it? The season of Spring is a good time to be thankful, rejoice that we have passed safely thro' the perils of another Vermont winter. It Thanksgivings and Fasts have come under an unalterable law of custom. discussing the new law and the county founded and pursued by Hon. C. S. there are clear reasons for the reversal supervisor question. Can not Mr. Pal- Page at Hyde Park—the calf skin bus- of their observance. If this cannot be accomplished there should be such a light up our darkness? Perhaps a full of the same magnitude in the United discussion of the supervisor question States. It consists in gathering these will assist the county boards in making hides from all over the country and in at each end of the busy period of the choice of these officials. In this meet- assorting them for market. The bus- year. Fast day has a sort of underground connection with some ancient pagan festival, and these festivals were born of homan instincts or yearnings. and it may be that on this account it is has been questioned by some who have of 6000 skins in 1880 it has grown to exceedingly difficult to change or drop a custom out of which for the time being much of the meaning has passed. The Free Press in a recent issue re- regards capacity-240 by 50 feet, with There are some things about Fast day ferred to Gen. James M.
